MISSION STATEMENT

The Ross Local School District will recognize the uniqueness and potential of all learners and will develop each one academically, socially, and emotionally.

VISION STATEMENT

The Ross Local School District is a community of learners empowered to discover our purpose, to aspire to solve relevant and real-world challenges, and to recognize that we are better together than on our own.

Discover, Aspire, Relate. Every day.

ACCIDENT/ILLNESS

Pupils who become ill or are involved in an accident during the school day are to report to the office with a note signed by their teacher. The office will decide what action to take, i.e. rest in office, send home, recommend doctor visit, hospital, or return to class. The student will not be allowed to go home unless parental permission can be secured. **Only those adults listed on a student's emergency medical authorization form (EMA) are permitted to be contacted to remove the student from school. Only those adults appearing on the EMA will be permitted to remove a student from Ross High School.**

AFTER-SCHOOL DETENTION

Students who are absent from school on the date of their scheduled detention must serve their detention on the **first day** they return to school. Pupils who report late (after 2:15 P.M.) will be counted absent and must serve detention the next school day. Multiple late arrivals to detention will result in Friday School, in-school suspension, and/or out-of-school suspension.

Pupils in detention are expected to remain seated and silent throughout the entire detention; pupils are not permitted to sleep; pupils are expected to do meaningful work.

Pupils who fail to show for detention will receive additional consequences. Skipping detention is a serious infraction and will lead to additional detentions, Friday School, in-school suspension, and/or out-of-school suspension.

Pupils will be given 24-hour notice upon receiving a detention to make necessary arrangements for transportation. It is the responsibility of the student to make arrangements for transportation. Students who stay for detention will not be permitted to ride the Middle School buses.

ATTENDANCE POLICY

The State of Ohio requires that all children between the ages of 6 and 18 years of age attend school every day that school is open. All students are, therefore, required to attend school regularly. Students are also expected to be on time for class so that they may receive the maximum benefit from the academic program. Effective July 1, 2017, Ohio law mandated public schools to provide closer supervision and documentation for student attendance (House Bill 410).

Excused Absences Include:

- Personal illness or injury
- Illness or death in the family.
- Funeral of immediate family member or relative
- Quarantine
- Religious holiday
- Court appearances
- Pre-approved absences. Five (5) days per year approved in advance by school administration (outlined in "Vacation Days" on page 26)
- College visits (prior arrangements and approval from guidance office)/Official documentation must be provided to the office upon returning from the college visit

All other absences are unexcused. Students may not be permitted to make up work for any unexcused absences.

If a child accumulates (excused or unexcused) absences equal or exceeding **38 hours per month or 65 hours per year**, Ross Local Schools will provide written notification of these absences at 38 hours per month, 56 hours per year, 65 hours per year, and 72 hours per year.

Students with excessive absences will be deemed "habitual truant" under HB 410. This is defined as students with absences totaling **30 or more consecutive hours, 42 hours or more per month, or 72 hours or more per year**. Students meeting this threshold will be assigned to the Absence Intervention Team. **Within 14 days** of an assignment to the Absence Intervention Team, an intervention plan will be developed. The district is expected to make reasonable efforts to communicate this plan to the parent/guardian **within 7 days** of the development. If of age, the district will contact the *Registrar of Motor Vehicles* for the suspension of a student's driver's license. Truancy will be filed **60 days** after the plan is initiated if the student does not participate or does not make progress.

ATTENDANCE PROCEDURE

Parents must phone the school before **9:00 A.M.** when their child is going to be absent. Upon returning to school after being absent, students are to present an excuse note written and signed by a parent/guardian to the attendance station. Students must bring this note from home even though their parent or guardian may have spoken with the attendance office the previous day.

Students may submit a maximum of five (5) parent/guardian notes per semester for absences deemed “excused”. After five (5) parent/guardian notes, written documentation from a treating physician, nurse practitioner, or physician assistant stating the day(s) absent and reason for such absences is required.

ATTENDANCE TARDY POLICY

Students are expected to arrive to school before 7:20 A.M. Students that are not in their RAM bell when the bell rings at 7:20 A.M. will be considered tardy to school. A student arriving late to school must report immediately to the attendance station. **A student who has been ill or who has had an emergency doctor or dentist appointment may present a written note from a parent/guardian/physician up to three (3) times in a semester.** Students reporting to school after 9:00 A.M. will earn one half day absence. Reporting to school after 10:30 A.M. considered a full day absence. Time missed will also count toward the new attendance policy established in HB 410.

Unexcused tardies or tardies exceeding three (3) written notes in a semester will result in school consequences.

1st Tardy (of each semester): Warning

2nd Tardy: Office warning and phone call home

3rd Tardy: After-school detention

4th Tardy: Friday School and 1 week removal of parking privileges

5th Tardy: Friday School and 2 week removal of parking privileges

6th and Subsequent: Students will earn ACE (Alternative Classroom Environment) and loss of parking privileges for the semester/year (Refunds will not be issued). Students will also be referred to the Absence Intervention Team if they accumulate enough hours to be “habitual truant”.

BACKPACKS AND OVERSIZED BAGS

Students are not permitted to carry backpacks or any bags (with the exception of a wristlet or pencil pouch) at Ross High School due to safety and space concerns. **Draw string bags and purses are no longer permitted to be carried during the school day.** Students are expected to put their backpacks and large bags in their assigned lockers prior to the start of school at 7:20 A.M. School administration is permitted to search the person and personal property (purse, backpack, gym bag, etc.) of a student where there is a reason to believe that evidence will be obtained indicating the student’s violation of either the law or school rules. There should be reasonable suspicion to believe that the search will result in obtaining evidence which indicates the student’s violation of the law or school rules.

BOOKS/TEXTBOOKS

1. Students may be required to cover all of their textbooks to help maintain longevity of text use.

2. Students may be issued a textbook from their classroom teachers. Students are responsible for lost or stolen textbooks and will be responsible for the replacement value of their assigned textbook(s).
3. Pupils will be charged for the replacement value of all their textbooks not turned in at the end of the school year or damaged beyond the point of repair.
4. Pupils will be assessed the following fines for damaged textbooks:
 - a. Minor damage of textbooks - \$5.00.
 - b. Damage of textbooks requiring rebinding - the current cost of rebinding the textbooks.

BOOKSTORE

The Bookstore is located in the event hallway adjacent to the cafeteria.

BUS RULES

School transportation is an extension of the school day; therefore, all school rules and policies are to be followed. This includes bus stop areas. In addition, the following rules also apply:

1. Pupils are to be at the bus stops on time; the drivers cannot wait for pupils to walk from their homes to the buses.
2. Pupils will get off buses at their designated stops in an orderly manner and remain in their SAFETY ZONE.
3. Pupils ride only their regularly assigned buses and get off at their regular stops.
4. Pupils who wish to leave a bus at a stop other than their normal one must have written permission from their parents or guardians and these notes must be signed by an administrator.
5. Pupils must sit only in their assigned seats.
6. Pupils must be absolutely quiet at railroad crossings and other places of danger.
7. Pupils will cross the street at least ten feet in front of the buses and upon the signal of the drivers.
8. Large objects and school projects may need to be transported by parents.
9. Pupils are not permitted to eat or litter on a bus.
10. Riding the bus is a privilege that may be suspended by the administration at any time.

CAFETERIA EXPECTATIONS

Student behavior in the cafeteria should be based on courtesy and cleanliness. Students are responsible for cleaning up the area that they occupied while in the cafeteria. Failure to abide by this regulation could result in significant disciplinary action.

Cutting line in front of others is always rude and discourteous and is prohibited. Students are to stay out of all hallways during lunch. All lunches and snacks are to be eaten in the cafeteria. No eating is permitted in classrooms, hallways or lobby. Students may use the restrooms in the cafeteria only. Pupils who finish

eating before the one-half hour lunch period is over must spend the remaining time in the cafeteria.

CLASSROOM TARDIES

Teachers will handle cases of occasional tardiness to class in accordance with their classroom management plans. Frequent offenders will be referred to the Dean of Students and/or assistant principal for further disciplinary action.

COMPUTER USE

It is illegal for any student to access another student's computer account. Entering and/or reproducing any information that is not directly related to the instructional assignment is strictly prohibited. Copying of any programs is also in violation of federal law, which could result in prosecution. Students are also forbidden to interfere with any operation of school business. Violation of this policy may result in suspension, expulsion and/or prosecution under existing laws. Students must have an "Acceptable Use Policy" signed and on file in order to be allowed access to the school computer network. Students who violate the Acceptable Use Policy will be in violation of the Student Code of Conduct could have their computer privileges permanently revoked, in addition to receiving the school administered discipline.

DELIVERY OF FLOWERS/GIFTS/FOOD

Students may not receive delivery of flowers or other gift items during the school day for birthdays, holidays, or other special occasions **Any item that is dropped off at the school will remain in the main office until the end of the school day and is subject to search by administration.**

DIRECTORY INFORMATION

State law requires public schools to release to any party that requests directory information within a reasonable period of time. The following items are designated as Directory Information: student name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, awards and honors received, and the student's photograph as published in the school year book. **Any parent or adult student not wanting Directory Information released should contact the Student Services Office.**

EARLY DISMISSAL

If it is necessary for a pupil to be dismissed early, the student must bring a written request from his/her parent or guardian to the office **before first block begins**. The note should include the reason for the early dismissal, the phone number where the parent or guardian can be reached to confirm the dismissal, the student's first block classroom number, and the parent or guardian signature. Only medical appointments that can be confirmed, funerals, and illness are excused early dismissals. All other early dismissals will be

unexcused. Time missed will also count toward the attendance policy established in HB 410 (refer to “Attendance Policy” on page 3).

E-MAIL ADDRESSES

The Ross Local School District Board of Education, District Administration, Building Administration and Staff emails may be obtained through the Ross High School web page at rhs.rossrams.com.

FEEES

The Board of Education adopts and regulates school fees at Ross High School. Please see the Course Selection Guide for a yearly updated fee schedule. Students who owe fees may be denied participation in co-curricular or extra-curricular activities. All course fees are expected to be paid within the first two weeks of the grading period.

GRADING POLICY

Ross High School uses a 4X4 block schedule. Under this system the school year is divided into 9 week and 18 week courses. Each one-credit course meets for 18 weeks, and 1/2-credit courses meet for 9 weeks. Some courses will meet for one year (36 weeks). At the end of each course a final exam may be given covering all the concepts introduced during that course. Nine week courses may take final exams at the conclusion of the nine week grading period. Students who earn an “A” during both quarters of a semester class or all four quarters of a yearlong class may be exempted from final exams.

A four point letter grade system is used. It is as follows, with quality points used for averaging and numerical equivalents stated also.

A=Excellent	4 (90 - 100%)	I=Incomplete	0 points
B=Above Average.....	3 (80 - 89.99%)	P=Passed	0 points
C=Average	2 (70 - 79.99%)	E=Enrolled	0 points
D=Below Average.....	1 (60 - 69.99%)		
F=Failing	0 (0 - 59.99%)		

Students must pass two of the following three grades (quarter grades, exam) in order to pass a semester class.

Grade cards will be issued four times a year. Interim reports may be sent home at the middle of each quarter to students who have earned “D’s” and/or “F’s”. Students and parents are invited to access Progress Book in order to check grades on a more regular basis. Contact Ross High School or the individual instructor for student login information for Progressbook.

The Ross Local School District believes that the grading policy and class ranking system should encourage students to achieve at the highest level possible. Encouraging students to take challenging course work can be accomplished through a weighted system of grading.

An additional weight of .05 will be added to the Grade Point Average for each Ross High School credit earned for Advanced Placement courses and College Credit Plus courses provided the student earns a "C" or above in the course. This rank may be used for two purposes: (1) on college and scholarship applications as required, and (2) in the determination of valedictorian and salutatorian (first and second place in class).

To be eligible for valedictory and salutatory honors, a student must have attended Ross High School for a minimum of 6 semesters, including both semester of their senior year. The principal will select students for these honors on the basis of the cumulative weighted Grade Point Average after the fourth quarter of their senior year.

AP courses that are taken via credit flex, correspondence, or online will not be weighted for G.P.A. or Class Rank purposes. The final determination as to whether a course will be weighted rests with the building principal.

HONOR ROLL

A two-level, honor roll based on an unweighted grade point average will be implemented at Ross High School:

1. High Honor (3.75-4.00 G.P.A.)
2. Honors (3.25-3.749 G.P.A.)

Any student earning an "F" will result in that pupil being ineligible for the honor roll regardless of their grade point average.

LOCKS AND LOCKERS

Lockers are assigned by RAM bell teachers during the first few days of school. Students entering after that time have lockers assigned by the Student Services office as they register. Section 3313.20, Ohio Revised Code, permits the search of any pupil's locker and the contents thereof if the school personnel or administrators reasonably suspect that the locker or its contents contain evidence of a pupil's violation of a criminal statute or of a school rule. The Board of Education has also declared that lockers are the property of the Board and these lockers and the contents thereof are subject to random search at any time by school officials, or in conjunction with local law enforcement agencies, which may include K-9 searches, without regard to whether there is a reasonable suspicion that any locker or its contents contains evidence of a violation of a criminal statute or a school rule. School personnel or administrators may also search at any time the locker and contents thereof of any pupil if an emergency situation exists or appears to exist that immediately threatens the health or safety of any person, or threatens to damage or destroy any property.

LOST AND FOUND

All articles that are found should be returned to the main office. Any lost article, except textbooks, should be claimed there. Lost textbooks, when found,

will be returned to the teacher's mailbox whose name appears on the label inside the book.

MEDICATION

If it becomes necessary for a student to take any form of medication at school, a signed form issued from the office, with a doctor's signature, must be presented to the office. All medication will be kept in and dispersed through the main office. This includes all over the counter medications.

Each student will be given a chromebook to use during the school year and will be responsible for the care and safekeeping of the chromebook, charger, and case. Students are expected to bring his/her fully charged chromebook in its case to school daily. In order for the chromebook battery to last an entire school day, it is imperative for students to fully charge it every evening. When charging, an orange light will display on the front right corner of the chromebook. The light changes to blue to indicate a full charge. It is also recommended that each student bring headphones/earbuds to help utilize digital tools and resources. **Any costs associated with the repair or replacement of the chromebook, charger, or case due to student abuse or neglect will be the responsibility of the student.** If the chromebook, charger, or case is not working or needs repair the student should bring it to the building media center upon arriving at school. You will be given a loaner device and our technology team will assess the problem and make a determination as to whether the issue is a warranty item or a repair that will need to be covered by the student and parent. Additional information about the 1:1 program can be accessed at

www.rossrams.com/1-1 and has been linked to the district and building websites. The web pages contain basic information about the 1:1 initiative, the 1:1 Policy for Students, Frequently Asked Questions, and information on the care, use, and responsibility of the chromebook, charger and case.
